

Candidate in the European Parliament Elections 2019: EU for Disability Rights

I pledge, if elected to be a Member of the European Parliament, to commit to promote the rights of persons with disabilities in the EU.

Informed by the [Manifesto](#) on the European Elections 2019 adopted by the 4th European Parliament of Persons with Disabilities, **I commit to join the Disability Intergroup of the European Parliament** and to work together with the disability movement to achieve the following goals:

- Fully accessible and inclusive **European Elections** so that persons with disabilities enjoy their right to vote and to stand for election.
- A comprehensive and well-resourced **European Disability Strategy 2020-2030** designed to enact and monitor the implementation of the Convention on the Rights of Persons with Disabilities.
- **EU funding to secure equal opportunities and non-discrimination.**
- An **EU Pillar of Social Rights** which improves the living conditions of persons with disabilities and their families within the society.
- An **accessible Europe** for persons with disabilities.
- A **Europe of Human Rights** by adopting a comprehensive anti-discrimination legislation at the EU level.
