**SECTION 4 – REASONS FOR APPLYING**

Please state briefly why you are applying to EDF membership and how your organisation would like to contribute to EDF activities and campaigns

CBM Italia would like to join EDF as an associate member for the following two reasons:

As a disability and development organization, we would like to become increasingly aware of policy developments at EU level in the area of international aid and disability, and would like to join organizations of persons with disabilities in their advocacy effort in this area. In this respect, we think that we may possibly contribute to EDF working group on international cooperation, and can offer our (limited) advocacy capacity at national level for coordinated advocacy efforts at EU level, together with other EDF members.

As an Italian NGO we are presently beginning to engage with organizations of persons with disabilities in the Lombardia region (with Ledha, in particular, and with other organizations), in the perspective of partnering with some of them in Italy, especially in the areas of health, education and independent living. We want therefore to become increasingly aware of the corresponding framework debates at EU level and the perspectives on them of organizations of persons with disabilities (with a particular interest on the new European Disability Rights Agenda post 2020). In this area we have little expertise to offer, and we will need to go through a “listening and learning” phase.

**SECTION 5 – DESCRIBE YOUR ORGANISATION**

Please write a brief description of your association, organisation or company, of its aims and activities

**CBM ITALIA:** CBM Italia is a humanitarian organisation committed to the inclusion of persons with disabilities in the world and in Italy.

CBM (Christian Blind Mission) Italia is linked to CBM International, an international disability and development organization active since 1908 and focusing on creating an inclusive world in which all persons with disabilities enjoy their human rights.

M

## OUR VISION

An inclusive world in which all persons with disabilities enjoy their human rights and achieve their full potential.

## OUR VALUES

**Inclusion:** we work to create an inclusive society in which each individual, with or without disability, can express their potential to the full.

**Working together:** we believe in the importance of teamwork and the creation of lasting ties with the donors, supporters, partners and institutions with which we collaborate.

**Global acceptance:** diversity is wealth, as such we recognise the value of each person as they are, regardless of ethnicity, gender or religion.

**Transparency and accountability:** we adopt management and control standards and systems that are recognised internationally, producing measurable results that we communicate in a transparent manner.

## OUR COMMITMENT

Over one billion persons have a disability: of these, 80% live in low and middle-income countries. CBM Italia implements projects compliant with the «UN Convention on the rights of persons with disabilities» in Africa, Asia and Latin America, as well as in Italy.

CBM develops projects in line with the Sustainable Development Goals of the United Nations, with a particular focus on combating poverty, as well as on the rights to health, clean water and education. In Italy it builds awareness on inclusion and is gradually opening programmes prioritizing the areas of inclusive education, health and independent living.

During 2019 CBM Italia supported 48 projects in 17 countries reaching 1,871,171 persons. Overall, CBM supported 540 projects in 51 countries worldwide.

## HOW WE WORK

We partner with local communities and with disabled people organizations in order to uphold the rights, and promote the inclusion, of persons with disabilities in every aspect of life (community-based inclusive development).

We are active in those countries in Africa, Asia and Latin America where the need is greatest, but we are gradually opening programmes also in Italy.

We work in compliance with agreed Policies.
