31 March 2021: Deadline to apply for European Disability Forum - Oracle e-Accessibility Scholarship 2021

The Scholarship

• Will be awarded to a student with a disability.
• The recipient of the European Disability Forum - Oracle e-Accessibility Scholarship 2021 will receive a 6,500 € scholarship.
• The student should be currently enrolled in a higher education programme in Computer Science, Computer Engineering, User Experience, or related field. This includes Bachelors, Masters and PhD students.
• The Scholarship will be awarded primarily based on a project or thesis in which the needs of persons with disabilities in terms of accessibility to information and communication technologies (e-Accessibility) are taken into consideration, and/or an innovative solution to enhance their access is proposed.
• The project must be an integral component of the educational programme undertaken by the student, for example, final year assignment, or part of their Masters or Ph.D. The project may already be underway, or be a proposal.
• Preference will be given to students studying for the whole of 2021.
• In case of possibility to host a physical event, the recipient will be invited to attend an award ceremony. Reasonable travel and hotel costs will be covered by EDF. In case this is not possible, an online ceremony will take place.

Who can apply?

To be eligible to apply, applicants must:
• Be a European Union (EU) citizen and resident within the EU.
• Be enrolled at a university in the EU for the 2020-2021 academic year, including online universities based in the EU.
• Be studying in the field of Computer Science, Computer Engineering, User Experience, or related field.
• Maintain a strong academic record.
• Have a disability, (see FAQs for definition of disability)
• Have not benefited from the scholarship in the past.

Application Process

Applicants will be asked to submit via online form and in accessible formats:
• General background information (i.e. contact information and details about your current university for the 2020-2021 school year)
• Proof of disability. An official confirmation of having a disability by the University or the appropriate public agency is sufficient, without the need to disclose type of disability or any other sensitive private information in relation to candidate’s disability.
• Executive summary of their project proposal in English from 2 to 5 pages
• Resume/CV.
• Academic transcripts reached so far from your current and prior institutions (if you have earned a prior degree).
• Recommendation and feedback letter from an academic supervisor.
Applications must be submitted before 31 March 2021, using this [online application form](#).
