

Hi from Kyiv!

Since late 2023, we've delivered €937K in cash, 1,591 assistive devices, and transport for 7,694 people with disabilities. Over 2,000 professionals have been trained in inclusion and mental health.

This is what happens when persons with disabilities lead the work. Can't wait to tell you more in Poltava!

XOXO

Phillipa TUCKER (she-her)

Coordinator Central and Eastern Europe
