# Together for democracy

Easy-to-read version

Easy-to-read is information that is written in a simple way so that everyone can understand it. You can find more information at: [www.inclusion-europe.eu/easy-to-read](http://www.inclusion-europe.eu/easy-to-read).

Welcome to our website.  
We are a community of people  
who believe that together  
we can make a difference in Europe by:

- Taking part in democracy  
and the European elections.
- Sharing our views  
and learning from each other.
- Fighting for the things  
we care about.

## Democracy is what makes us stronger

**Democracy** means that  
decisions are taken by the people  
and those that the people choose  
to speak for them.

Every 5 years,  
there are **European elections**.  
This means that  
people in the European Union vote  
and choose who they want:

- To make decisions for the European Union.
- To speak for them and fight for their rights.

The people who get the most votes at the European elections become part of the **European Parliament**. They get to make important laws and decisions in the next 5 years.

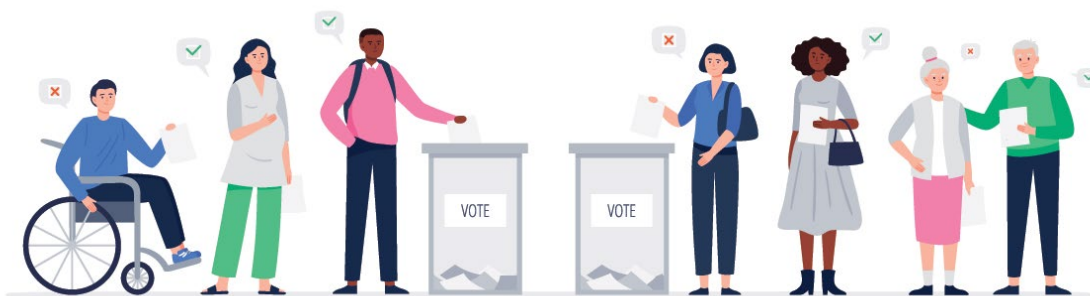

The next European elections will take place in 2024.

The more people take part in the European elections, the stronger democracy becomes.

Our aim is to get as many people as possible to vote in the European elections.
