Nomination letter

On behalf of the Lithuanian Disability Forum (LDF), I am honoured to submit my candidacy for the position for the European Disability Forum (EDF) Board of Directors. As President of LDF, I have dedicated my professional work to advancing the rights of persons with disabilities in line with the principles of the Convention on the Rights of Persons with Disabilities.

While I have held this position since 2024, I am committed to ensuring the continued active involvement of our organisation in the work of the European disability movement. Following the important contribution of Dovilė Juodkaitė, the long-term President of the Lithuanian Disability Forum and a member of the Board of Directors whose term is coming to an end, I believe it is essential to maintain strong engagement and continuity in our organisation's active participation within EDF.

Please find attached a brief presentation of the candidate, as well as the scan of the Identity Card and a proof of residence.
